The initial payment shall be in such amount as the member considers appropriate hereunder but shall be subject to such adjustment, to be effected within ninety (90) days of the date on which such payment was due, as the Bank shall determine to be necessary to constitute the full dollar equivalent of such payment.

For this purpose, the repurchase price of the shares shall be the value shown by the books of the Bank on the date the country ceases to be a member.

- 3. The payment for shares repurchased by the Bank under this Article shall be governed by the following conditions:
  - (i) Any amount due to the country concerned for its shares shall be withheld so long as that country, its central bank or any of its agencies, instrumentalities or political subdivisions remains liable, as borrower or guarantor, to the Bank and such amount may, at the option of the Bank, be applied on any such liability as it matures. No amount shall be withheld on account of the contingent liability of the country for future calls on its subscription for shares in accordance with paragraph 5 of Article 6 of this Agreement. In any event, no amount due to a member for its shares shall be paid until six (6) months after the date on which the country ceases to be a member.
  - (ii) Payments for shares may be made from time to time, upon surrender of the corresponding stock certificates by the country concerned, to the extent by which the amount due as the repurchase price in accordance with paragraph 2 of this Article exceeds the aggregate amount of liabilities, on loans and guarantees referred to in sub-paragraph (i) of this paragraph, until the former member has received the full repurchase price.
  - (iii) Payments shall be made in such available currencies as the Bank determines, taking into account its financial position.
  - (iv) If losses are sustained by the Bank on any guarantees or loans which were outstanding on the date when a country ceased to be a member and the amount of such losses exceeds the amount of the reserve provided against losses on that date, the country concerned shall repay, upon demand, the amount by which the repurchase price of its shares would have been reduced if the losses had been taken into account when the repurchase price was determined. In addition, the former member shall remain liable on any call for unpaid subscriptions in accordance with paragraph 5 to Article 6 of this Agreement, to the same extent that it would have been required to respond if the impairment of capital had occurred and the call had been made at the time the repurchase price of its shares was determined.
- 4. If the Bank terminates its operations pursuant to Article 45 of this Agreement within six (6) months of the date upon which any country ceases to be a member, all rights of the country concerned shall be determined in accordance with the provisions of Articles 45 to 47 of this Agreement. Such country shall be considered as still a member for purposes of such Articles but shall have no voting rights.

#### TEMPORARY SUSPENSION OF OPERATIONS

In an emergency, the Board of Directors may temporarily suspend operations in respect of new loans and guarantees, pending an opportunity for further consideration and action by the Board of Governors.

#### Article 45

#### TERMINATION OF OPERATIONS

1. The Bank may terminate its operations by a resolution of the Board of Governors approved by a vote of two-thirds of the total number of Governors, representing not less than three-fourths of the total voting power of the members.

#### Article 46

#### LIABILITY OF MEMBERS AND PAYMENT OF CLAIMS

- 1. In the event of termination of the operation of the Bank, the liability of all members for uncalled subscriptions to the capital stock of the Bank and in respect of the depreciation of their currencies shall continue until all claims of creditors, including all contingent claims shall have been discharged.
- 2. All creditors holding direct claims shall first be paid out of the assets of the Bank and then out of payments to the Bank or unpaid or callable subscriptions. Before making any payments to creditors holding direct claims, the Board of Directors shall make such arrangements as are necessary, in its judgment, to ensure a pro rata distribution among holders of direct and contingent claims.

#### Article 47

#### DISTRIBUTION OF ASSETS

- 1. No distribution of assets shall be made to members on account of their subscriptions to the capital stock of the Bank until all liabilities to creditors have been discharged or provided for. Moreover, such distribution must be approved by the Board of Governors by a vote of two-thirds of the total number of Governors, representing not less than three-fourths of the total voting power of the members.
- 2. Any distribution of the assets of the Bank to the members shall be in proportion to the capital stock held by each member and shall be effected at such times and under such conditions as the Bank shall deem fair and equitable. The shares of assets distributed need not be uniform as to type of asset. No member shall be entitled to receive its share in such a distribution of assets until it has settled all of its obligations to the Bank.
- 3. Any member receiving assets distributed pursuant to this Article shall enjoy the same rights with respect to such assets as the Bank enjoyed prior to their distribution.

- 1. Each Governor representing a regional member shall cast all votes of the member he represents for a single person.
- 2. The seven (7) persons receiving the highest number of votes shall be Directors, except that no person who received less than ten (10) per cent of the total voting power of regional members shall be considered as elected.
- 3. If seven (7) persons are not elected at the first ballot, a second ballot shall be held in which the person who received the lowest number of votes in the preceding ballot shall be ineligible and in which votes shall be cast only by:
  - (a) Governors who voted in the preceding ballot for a person who is not elected; and

- 4. (a) In determining whether the votes-cast by a Governor shall be deemed to have raised the total number of votes for any person above eleven (11) per cent, the said eleven (11) per cent shall be deemed to include, first, the votes of the Governor casting the highest number of votes for that person, and then, in diminishing order, the votes of each Governor casting the next highest number until eleven (11) per cent is attained.
- (b) Any Governor, part of whose votes must be counted in order to raise the votes cast for any person above ten (10) per cent, shall be considered as casting all his votes for that person even if the total number of votes cast for that person thereby exceeds eleven (11) per cent.
- 5. If, after the second ballot, seven (7) persons are not elected, further ballots shall be held in conformity with the principles and procedures laid down in this Section, except that after six (6) persons are elected, the seventh may be elected -- notwithstanding the provisions of paragraph (2) of this Section -- by a simple majority of the remaining votes of regional members. All such remaining votes shall be deemed to have counted towards the election of the seventh Director.

At its Second Annual Meeting the Board of Governors reviewed the size and composition of the Board of Directors in conformity with the provisions of Article 30.1 (ii) and decided that effective from the Fourth Annual Meeting, eight (8) Directors shall be elected by the Governors representing regional members and that the minimum and maximum percentages specified in paragraphs 2, 3 and 4 of Section (A) of Annex B shall be adjusted at that meeting to 8% and 10% respectively (Resolution No. 27 of the Board of Governors).

6. In case of an increase in the number of Directors to be elected b, Governors representing regional members, the minimum and maximum percentages specified in paragraphs (2), (3) and (4) of Section A of this Annex shall be correspondingly adjusted by the Board of Governors.

- 3. If three (3) persons are not elected at the first ballot, a second ballot shall be held in which the person who received the lowest number of votes in the preceding ballot shall be ineligible and in which votes shall be cast only by:
  - (a) Governors who voted in the preceding ballot for a person who is not elected; and
  - (b) Governors whose votes for a person, who is elected are deemed, in accordance with paragraph (4) of this Section, to have raised the votes cast for that person above twenty-six (26) per cent of the total voting power of non-regional members.
- 4. (a) In determining whether the votes cast by a Governor shall be deemed to have raised the total number of votes for any person above twenty-six (26) per cent, the said twenty-six (26) per cent shall be deemed to include, first, the votes of the Governor casting the highest number of votes for that person, and then, in diminishing order, the votes of each Governor casting the next highest number until twenty-six (26) per cent is attained.
- (b) Any Governor, part of whose votes must be counted in order to raise the votes cast for any person above twenty-five (25) per cent, shall be considered as casting all his votes for that person even if the total number of votes cast for that person thereby exceeds twenty-six (26) per cent.
- 5. If, after the second ballot, three (3) persons are not elected, further ballots shall be held in conformity with the principles and procedures laid down in this Section, except that after two (2) persons are elected, a third may be elected provided that subscriptions from non-regional members shall have reached a minimum total of three hundred forty-five million dollars (\$345,000,000) and notwithstanding the provisions of paragraph (2) of this Section by a simple majority of the remaining votes. #### ASIAN DEVELOPMENT BANK

10 March 1993

Mr. M. S. Ahluwalia Secretary Department of Economic Affairs Ministry of Finance Government of India New Delhi, India

Dear Mr. Ahluwalia:

Re: Equity Investment Operations and Loans to the Private Sector Without Government Guarantees

- 1. On 18 March 1983, the Board of Governors of the Bank made a determination that the Asian Development Bank (the Bank) is in a position to commence equity investment operations. On 7 November 1985, the Board of Directors of the Bank decided that the Bank may further diversify its assistance to the private sector by providing loans without government guarantees on commercial terms. Pursuant to these decisions, the Bank is in a position to consider proposals for investments in private sector enterprises by way of equity, or loans without government guarantees (the term "loan" as used hereafter in this letter refers to loans to the private sector without government guarantee).
- 2. As far as equity investment operations are concerned, these may, at the Bank's option, include (i) investments in the equity of medium- and large-size enterprises for specific projects: (ii) investments in the equity of development finance institutions (DFIs) and similar entities: and (iii) investments in the equity of smaller enterprises to be extended through DFIs under lines of equity. Loans made by the Bank may be suitably secured or guaranteed to protect the Bank's investment.
- 3. The eligible enterprises for equity or loans would be in the private sector, but mixed enterprises may be considered in special circumstances. The Bank would not seek to assume responsibility for managing an entity or seek controlling interest in it except where necessary to safeguard its interests. On the other hand, the Bank will not make an investment, whether equity or loan, if the Government has any objection to it.
- 4. Before considering any proposal for an investment in India by way of equity or loan, the Bank wishes to obtain from the Government of India certain assurances in respect of those operations consistent with the Bank's Charter provisions (such as Articles 51, 53 and 56) relating to the privileges, immunities and exemptions of the Bank. These assurances are:
  - (a) The Bank and its investments (whether equity or loan) will be immune from any restrictions, regulations, controls or moratoria of any kind, and in particular.
    - (i) The Bank may freely sell interests in any of its investments, whether to domestic or foreign buyers; and

- (ii) The Bank or its agents may repatriate freely in a convertible currency at the then prevailing exchange rate (i) any income and gains from and sale proceeds of, its equity investments (including capital gains and subscription rights); and (ii) the principal (including premium, if any) of, and interest and other charges, on its loans;
- (b) The Bank will be exempt from taxation or from withholding or collection of taxes on (i) any income and gains from, and sale proceeds of, its equity investments (including capital gains and subscription rights); and (ii) the principal (including premium, if any) of, and interest and other charges on, its loans:
- (c) The Bank may underwrite or participate in the underwriting of, securities issued in India;
- (d) The Reserve Bank of India will, if so requested by the Bank, act as depository for the share certificates and any other documents issued in respect of or in connection with the Bank's investments in India;
- (e) The Bank will have the right to (i) acquire ownership of any property (including land) which has been pledged, mortgaged or otherwise charged as security for loans made by the Bank, after completion of the normal enforcement procedures available to creditors under local laws; (ii) sell or otherwise dispose of any such property; and (iii) repatriate the proceeds in accordance with paragraph (a)(ii) above.

The foregoing assurances will also apply mutatis mutandis to any promissory notes issued in respect of the Bank's loans.

- 5. It is understood, however, that subject to these assurances, the Bank will, for each investment by way of equity or loan, or sale of interests in any of its investments, comply with any necessary procedural formalities under the applicable laws in India.
- 6. We would be grateful if you would confirm the concurrence of your Government to the assurances set out in paragraph 4 above to enable the Bank to consider investment proposals for equity or loan in India.

Sincerely yours.

# ASIAN DEVELOPMENT BANK India Resident Mission

14 October 2002

Mr.Ashok Lavasa.
Joint Secretary
Department of Economic Affairs
Ministry of Finance
Government of India
New Delhi, India

Dear Mr. Lavasa,

# Re: Framework Agreement for Private Sector Operations --Supplement Concerning Guarantees

- 1. We refer to the letter agreement, dated 10 March 1993 (the Framework Agreement), between India, represented by the Secretary, Department of Economic Affairs, Ministry of Finance, Government of India, and the Asian Development Bank (ADB), relating to equity investment operations and loans by ADB to the private sector in India.
- 2. ADB has played an active role in promoting foreign direct investment in India and other member countries, and intends to continue to do so by, among other things, providing guarantees to lenders or other providers of credit in the private sector. To this end, the Board of Directors of ADB has recently approved (Doc. R299-00 of 1 December 2000) a series of improvements to ADB's guarantee products, including its partial risk guarantee, also known as the political risk guarantee (PRG). The PRG became part of ADB's private sector product offerings in 2001 when ADB signed a number of PRG agreements for projects in various member countries. ADB may now also provide partial credit guarantees for purposes of private sector projects. Based upon the foregoing, the purpose of this supplemental letter is to reflect in the Framework Agreement the addition of ADB guarantees to ADB's private sector operations. ("ADB guarantee", as used in this letter, means a partial credit or political risk guarantee made by ADB to guarantee payments of some or all principal, interest, or other charges, including premium, or amounts due under other credit arrangements, to a commercial lender or provider of credit, as the context requires.)
- 3. As part of adding ADB guarantees to its private sector operations, it is necessary to make provision for ADB guarantees within the Framework Agreement, in the same manner as loan and equity investment operations are currently reflected. ADB therefore has prepared the following to supplement and form part of the assurances of the Framework Agreement:
  - a. ADB guarantees will be immune from restrictions, regulations, controls or moratoria of any kind, and in particular, ADB may (i) freely reinsure, or sell participations in, ADB guarantees, and (ii) repatriate freely, in a convertible currency, at the then prevailing exchange rate and free of any tax or similar levy.

- the fees and charges received in respect of ADB guarantees from guaranteed lenders, ADB guarantee beneficiaries or borrowers;
- b. Upon making or agreeing to make any payment to guaranteed lenders or other providers of credit under any ADB guarantee agreement, ADB shall be deemed to have made a direct loan from its own account in the amount of such payment to the relevant borrower for purposes of paragraphs 4(a), (b)(ii), and (e) of the Framework Agreement. Any such payments shall be entitled to the same privileges, immunities and exemptions as set out in ADB's Charter, and as more particularly described in the Framework Agreement. For each ADB guarantee. ADB shall also be subrogated to such rights and claims of the guaranteed lenders or other providers of credit as set forth in the relevant guarantee agreement; and
- c. Amounts in the currency of India acquired by ADB as subrogee will be accorded. with respect to use, conversion and repatriation, treatment by India as favorable as the treatment to which such funds would be entitled in the hands of ADB had it received such amounts from one of its own direct loans to a private entity in India.
- 4. In the event that ADB sells all right, title and interest in and to an ADB guarantee to another party pursuant to an assignment, ADB will not seek to transfer its tax-free status to the assignee purchaser.
- 5. We would be grateful if you would confirm the concurrence of your Government to this supplemental letter to enable ADB to consider investment proposals involving ADB guarantees in India. Upon your confirmation, the supplemental letter will become part of the Framework Agreement. All existing provisions of the Framework Agreement will remain in effect.

Yours sincerely,

Y. Iwasaki
