The result was that between 5th and 15th March, 2001, the Bank's funds to the extent of Rs. 6.50 crore were utilized for investments in bonds of Cyber Space Infosys-a concern of Shri Johari, contrary to RBI instructions prohibiting equity investment in such companies. RBI does not interfere when the system of delegation of powers authorised by the Board is transparent and adequate internal control measures are in place to check the exercise of powers within delegated limits. Pay Orders are expected to be issued against value received and there is generally no restriction on discounting the pay orders of other banks after taking proper safeguards on assessment of counterparty risk. Although SEBI has claimed that all investors got their due amount or securities on time and that there was no possibility of any adverse impact in real terms on other Stock Exchanges or the overall Stock Market, the Committee note that the payment crisis did affect market sentiment all over the country. As is evident from the succeeding paragraphs of this section, there has been obvious laxity in surveillance and gross violation of exposure controls and risk management measures. Payment crisis in CSE was not an isolated incident. It must be viewed from the overall manipulations of stock markets in India by various players of which Calcutta brokers became surrogates. These players included key brokers, corporate houses behind the brokers and broker directors of CSE. The payment crisis in CSE is due to wilful inaction of CSE and SEBI and involvement of banks.</p> | <p>inspection was not the normal inspection to look into the routine aspects such as Rules, Regulations, Circulars etc. but also the surveillance system of CSE. This inspection, therefore, detected the deficiency in the exposure limit, the inaccuracy in the calculation of margin, the algorithm in the system of margin collection and exposure limit.</p> <p>In case of CSE, these systems of surveillance were provided by CMC Limited, then Public Sector Undertaking which had also supplied software to Bombay Stock Exchange and other stock exchanges. It was expected that the system would have the correct algorithm to calculate margin, exposure limit and other risk management requirements. These were the basic requirements which were to be ensured by the stock exchange while accepting the software. SEBI's annual inspection of stock exchanges looked at whether the margin provided / calculated by the system and the exposure limit were collected / maintained by the stock exchange and accordingly the actions are being taken by the stock exchanges for non compliance . Such action would include penalty, switching off terminals etc.</p> <p>CSE had indicated that they had collected margin of Rs. 594 crore to Rs. 656 crore during January / February 2001. Besides, CSE has also reported that between April 01, 2000 to March 31, 2001, on 3607 occasions terminals of the brokers were deactivated due to violation of intra day trading limits / exposure limit, non payments of margins and other violations. Similarly, CSE had in the said period also imposed fines on 618 occasions on the members for non payment of pay-in / margins on due dates. When SEBI had detected in its own special inspection report where cases of the terminals were not switched off, SEBI had taken action by calling explanation of Executive Director for non deactivation of the terminals of the members in case of instances of delay in collection of margin observed. It may also be mentioned that after considering the SEBI's special inspection report and the comments of the Executive Director on the lapses and deficiencies (including non-deactivation of trading terminals for non-payment of margins on time) pointed out in the report, the Board of CSE in its meeting held on August 11, 2001 decided to terminate the contract of the Executive Director of CSE with immediate effect.</p> |                  |

Other stock exchanges such as BSE, NSE, DSE, UPSE and ASE have also been advised to conduct systems audit. CSE appointed Ernst and Young to conduct the audit of the systems of the exchange. CMC Limited. Further M/s. CMC Limited has been advised by SEBI to conduct a formal enquiry in their organization and fix responsibility for serious lapses. CMC has also been advised to confirm rectification of deficiencies pointed out in the system audit report has been completed.</p> <p>It may also be mentioned that CSE has initiated criminal and civil proceedings (at the instance of SEBI) against the concerned brokers of Singhanian Group, Biyani Group and Poddar Group. Further, as advised by SEBI, CSE has also filed FIR against Singhanian Group, Biyani Group and Poddar Group of brokers with Kolkata Police Authorities (Case ref. – Hare Street P.S/DD Case No. 476 dated 24.09.2002 U/s. 120B/420/409/467/468/471/477A IPC). The details have been given in reply to para no. 6.101.</p> <p>With regard to payment crisis and impacting the reserves of the exchange, SEBI have informed that the total turnover in CSE in settlement no. 148 was Rs. 8610 crore (daily average Rs.1700 crore). The total turnover for settlement nos. 149 and 150 was Rs. 4744 crore and Rs.1275 crore respectively. Thus the total business done by CSE in the three settlements was Rs.14629 crore against which the payment shortfall was Rs.96.59 crore only. Thus while in absolute amount the shortfall is sizable, it is only 0.66 % of the total business done on the CSE in the three settlements.</p> <p>Regarding the impact of the payment crisis in CSE on the stock market, SEBI have informed that the total turnover during the relevant 3 weeks period in the major stock exchanges viz. NSE, BSE and CSE was around Rs.119000 crore and the total payment shortfall in the settlement nos. 148,149 &amp; 150 at CSE was Rs. 96.59 crore which is only 0.08 % of the total business done in the major exchanges. | 16.     | 6.104    | <p>The Committee are concerned to learn that the deficiencies in the working of CSE were not of recent origin. SEBI's report a decade ago had found numerous deficiencies including absence of a mechanism for monitoring margins. On the basis of an enquiry into the affairs of CSE in April, 1994, it was recommended that the Board of the Exchange should be suspended. The problems of CSE as seen by this Committee appear to flow from the culture of non-compliance with rules, regulations and transparent practices. This appears to have developed over a period of time. In 1994 it was recommended that the Board of the Exchange should be suspended because of gross malpractices. After reviewing the position, however, the SEBI did not suspend the Exchange or take any severe measures as to shake up work culture of the exchange. The Committee's examination has, however, shown that nothing changed in CSE. Instead, things went from bad to worse. It is clear that despite knowing the track record of CSE, SEBI did not take timely corrective action. The Committee are of the view that SEBI should have played a more proactive role in the affairs of CSE and curbed malpractices well in time. The SEBI failed to do so. Officials of Surveillance Department of SEBI dealing with CSE are also similarly responsible. These and other factors contributed largely to the artificial inflation of share prices in specific scrips, particular known as the "K-10 stocks" which, in turn, contributed in large measure to a sentiment being created in the market which enthused others to invest solely in these specific scrips and the stock market in general.</p> | <p>provisions of SEBI (Substantial Acquisition of Shares and Takeover) Regulations, 1997. | 24.     | 10.76    | <p>Governor, RBI conceded that at present our system is "non-functional". Yet, RBI has been rather tardy in suggesting amendments to the existing legislative provisions to make them stronger and more punitive. For instance, amendments to the Public Debt Act, 1944 in response to the 1992 recommendations of the previous JPC have been under process for seven years since 1994 and are yet to be effected. Similarly, it was not till after the present scam involving UCBs came to light that amendments were proposed to the Banking Regulation Act, 1949 to bring some of the provisions regarding cooperative banks at par with those of commercial banks. Moreover, the enhancement of the penal provisions of the Banking Regulation Act, 1949 are yet to be mooted by the RBI. Legislative amendments based on the recommendations of the Dr. L.N. Mitra Committee (2001) have also not seen the light of day so far. The Committee deplore the half hearted and casual manner in which these critical matters have been dealt with and desire that proposals already forwarded by the RBI to the Ministry of Finance be cleared expeditiously. Particularly in the present environment, when financial markets are getting integrated, it is essential that a</p> | <p><b>As reported in May, 2003</b><br/> The recommendations of the Joint Parliamentary Committee which looked into irregularities in securities transactions relating to amendment in the Public Debt Act, 1944 for making bouncing of SGL transfer forms as a penal offence was considered and it was decided to replace the Public Debt Act, 1944 with a new legislation called Government Securities Act. A provision has been included in the draft bill by which dishonour of SGL transfer form for insufficient balance will be a legal offence and the seller will be liable for punishment. Prior consent of the State Governments is required as the Act applies to the market borrowings by RBI for both the Union and State Governments. The proposed legislation was delayed for want of concurrence of the State Governments.<br/> As regards amendment to the Banking Regulation Act, 1949 the RBI had appointed a High Powered Committee on Urban Cooperative Banks under the Chairmanship of Shri K. Madhav Rao in May 1999 and a Task Force under Shri Jagdish Capoor, the then Deputy Governor RBI which have inter-alia looked into the question of duality of control over cooperative banks. The Committee has recommended removal of duality of control over Cooperative Banks by way of either replacing the existing State Cooperative Societies Act recommended by Choudhary Braham Prakash Committee or by way of incorporating essential features of the model Act in their respective Cooperative Societies Act by the State Governments. The Ministry of Finance was also of the view that removal of duality of control is essential for proper regulation and management of cooperative banks. Therefore the above legislative changes have been made a pre condition for taking up revitalisation of cooperative banks as announced in the Union Budget for the year 2002-03 and a scheme is expected to encourage State Governments to undertake the above legislation</p> | <p>The recommendations of Ghosh &amp; Mitra Committee Reports on Financial Frauds and for devising effective mechanism to deal with frauds were examined and in view of the fact that the existing legal provisions facilitate initiation of desired action with respect to frauds without any legal amendment and considering various steps taken including setting up of a Serious Fraud Investigation Office (SFIO), it has been decided to drop the proposal for a separate legislation to deal with frauds. <b>Action completed.</b></p> |

The Reserve Bank of India had submitted certain proposals in May 2001 to the Ministry of Finance which were also not found to be adequate in tightening the supervisory control of Reserve Bank of India over the cooperative banks. The proposals have been further discussed with RBI/NABARD and amendments to the Banking Regulation Act are now been finalised which will give Reserve Bank of India adequate powers to effectively supervise cooperative banks. These proposals are in the final stage and soon a bill is likely to be introduced in the Parliament. Recommendations made by Dr. L.N. The RBI, now, can supersede the Board of Directors of multi-State cooperative banks and appoint an Administrator, if it is satisfied that it is necessary to do so in public interest or for preventing the affairs of a multi-State cooperative bank being conducted in a manner detrimental to the interest of the depositors or of the multi-State cooperative bank or for securing the proper management of the bank. | 25.  | 10.80    | <p>Audit is the backbone of the banking system. Whereas auditors of commercial banks are appointed by RBI, for cooperative banks, the auditors are appointed by the Registrar of Cooperative Societies. It has, however, been noticed that the auditors in the case of the Madhavpura Mercantile Co-operative Bank and the City Co-operative Bank have failed to discharge their responsibilities diligently resulting in a situation where there was a run on the banks and the depositors were duped. In most cases these auditors are not qualified chartered accountants, and so they fall outside the ambit of the Institute of the Chartered Accountants and no disciplinary action can be taken against them. Therefore, the RBI has now proposed to amend section 30 of the Banking Regulation Act, 1949 so that in future they are authorized to appoint the Chartered Accountants even in the case of the Co-operative banks. The Committee are, however, shocked to find that the Institute had failed to impose punishment even against a single auditor of the 17 auditors whose names had figured in the Janakiraman Committee, during the investigations of 1992 scam. It is all the more disconcerting to find that so far no concrete action has been taken to amend the Institute of Chartered Accountants of India Act, 1949 with a view to making it an effective instrument of deterrence and punishment, although a proposal in this regard is reported to have been forwarded by the Institute to the Government way back in 1994. The members of the Board should also comment on the manner in which transactions are handled, adherence to prescribed systems and procedures and whether all the risk is getting recorded and reported to the Board. Besides, RBI in their inspection reports, needs to comment on the quality of the audit carried out by the auditors and comment on the handling of the issues by the Board of Directors. In order to create a sense of responsibility amongst auditors and also to deter those who either casually/negligently or in connivance with the management hide vital information, the penal provisions in the statute should be strengthened.</p> | <p>explained in reply to para No.3.18 and action on this part is complete.</p> <p>The Bills to amend the Chartered Accountants Act, 1949, the Cost &amp; Works Accountants Act, 1959 and the Company Secretaries Act, 1980 were referred to the Parliamentary Standing Committee on Finance, which has tabled its reports in both the Houses of Parliament in Budget Session 2005. During the course of the present examination, similar irregularities were noticed in the case of private as well as co-operative banks. Moreover, there is no separate Act under which scamsters can be booked and even in cases where criminal proceedings are launched cases drag on for years together in Courts, with the result that the perpetrators of frauds are seldom punished. The Committee were informed that in 1991, the Ghosh Committee was set up to enquire into various aspects relating to frauds and malpractices in banks. The Committee had made about 125 recommendations, most of which were accepted by RBI and implemented. However, with a view to examining certain legal aspects including attempting a definition of Financial Fraud and laying down procedural guidelines to deal with financial frauds, recently another Committee under the Chairmanship of Dr. L.N. Mitra was set up. The recommendations of the Mitra Committee are in two parts - Part I deals with recommendations which can be implemented without any legislative changes and are preventive in nature and Part II requires legislative changes for implementation. Some of the important recommendations contained in Part II include a separate Act to deal with financial fraud, making financial fraud a criminal offence, placing special responsibility on the regulator, setting of a separate institution for investigation,</p> | <p>part II of its report proposing draft legislation on Financial Frauds (Investigation, Prosecution, Recovery and Restoration of Property) Bill and also suggested amendments to the Indian Penal Code 1860, Indian Evidence Act 1872, Criminal Procedure Code 1973 etc. The Reserve Bank of India have forwarded the report of the Mitra Committee along with draft legislation to the Central Vigilance Commission for examination by the High Level Group set up by it to look into frauds in the banking sector. The Reserve Bank of India has also forwarded these recommendations to the Government for taking further action so that the problem of financial frauds could be dealt with effectively. | 35.    | <p>12.199 CBDT's role is mainly confined to follow up actions after a scam. If those actions are swift the right message will go to the Stock Market. The Committee note that even after an expiry of almost a decade, the culprits of the 1992 Scam, have not been punished and the cases are still pending adjudication in the Special Courts. The only penalty so far imposed is the monetary one which is reported to be to the tune of Rs.700 crore, and that too has been imposed only on a single Group. Not a single case of Harshad Mehta Group has been finalized and although the assessments in the case of the other group viz. Bhupen Dalal Group have been finalized, no criminal proceedings have been launched against the Group. It is equally serious that against the total outstanding demand of Rs. 11,323 crore, an amount of only Rs. 2203.70 crore, including Rs. 165.70 crore in the case of Fair Growth Financial Services Ltd, has been confirmed, since a large number of cases are reported to be still pending with CIT (Appeals). Only a paltry sum of Rs. 292 crore has so far been recovered. The property worth Rs. 3106.80 crore which stands attached and which includes mostly shares has also not been disposed of despite the fact that a scheme in this respect stands approved by the Special Court as far back as in</p> | <p><b>As reported in July, 2005</b><br/>Enforcement Directorate have informed that the investigation against M/s Zee Telefilm has been completed and Show Cause Notice has been issued. Now it is pending for adjudication.</p> <p><b>As reported in May, 2003</b><br/>The Central Board of Direct Taxes (CBDT) have reviewed the pending cases of assessment of notified persons in a meeting taken by Member (Inv.), CBDT on 4.2.2003 and have decided that all pending cases would be disposed off by the end of May 2003. In the case of Bhupen Dalal Group, the Department has indicated that prosecution has been duly launched. However, the assessee has filed criminal revision petition before the Hon'ble High Court of Mumbai. The Court accepted the assessee's prayer of quashing the criminal proceedings until the assessee's appeal cases are decided by the Income Tax Appellate Tribunal with the observation that if the Income Tax Appellate Tribunal dismisses the assessee's appeal the criminal prosecution shall proceed. An SLP against the said order of the Mumbai High Court is pending in Supreme Court.</p> <p>The Income Tax Department has made a demand for the tax dues of notified parties for the statutory period (01.04.1991 to 06.06.1992) of Rs.3307.43 crores. So far a sum of Rs.925.84 crores has been released or is in the process of being released to Income Tax Department by the Custodian in accordance with the orders of the Special Court. The value of the property attached is variable depending upon the value of shares which keep fluctuating according to the market trends. After making payment to the Income Tax Department the value of the attached properties get reduced to that extent. Accordingly, the position assessed as on 31.12.2002 the value of attached assets is Rs.2735.32 crores. The progress of disposal of shares was slow on account of backlog and the procedures involved in the certification, registration and dematting of shares etc. and the process has now more or less been streamlined. As on date, an aggregate quantity of 2,59,45,779 shares have been sold or cleared for sale and the value of the same is Rs.464,25,53,333.74.</p> | <p>Out of the total priority demand as defined by the Hon'ble Supreme Court, a sum of Rs. 1397.28 crores had been recovered by various releases by the Hon'ble Special Court. The balance outstanding priority demand for the priority period is Rs. 2,346.55 crores. However, the Hon'ble Special Courts, under (TORTS) Act, 1992 while disposing miscellaneous application has ordered that the Department shall deposit amounts with the Custodians (TORTS) Act, 1992 out of amounts released earlier to the Department. As a result of this order of the Special Court, an amount of Rs. 18,02,80,253/- has been refunded and deposited with the Custodian. In view of this, the demand in respect of the priority period stands increased to this extent. The above amount includes the interest component as well. The CCIT (Central)-II, Mumbai has been directed to seek appropriate legal recourse regarding the rate at which interest has been ordered to be paid by the Income Tax Department.</p> <p>A total of 176 appeals related to the scam cases have been disposed off by the ITAT up to 30.10.2005. Out of the above, orders have been received in 142 cases. There are five appeals pending before CIT (Appeals) pertaining to the priority period.</p> |

The total recovery made in this case so far comes to Rs. 1227.43 crore, on the basis of decision/order by the Hon'ble Supreme Court and Hon'ble Special Court.</p> <p>With regard to the latest position in the case of M/s Fairgrowth Financial Services, the outstanding demand as on 30<sup>th</sup> April, 2004 was Rs. 143.44 crore. While Rs. 24.64 crore of this demand relates to A.Y. 1993-94 and earlier, which constituted the notified period, the balance demand relates to post-notification period. During May 2004, a further collection of Rs. 12.5 crore by way of remittance from the office of the custodian was received as per order issued by the Hon'ble Special Court. Hence the net outstanding demand as on 31.5.2004 is Rs. 130.94 crore.</p> <p>With the receipt of this final instalment of Rs. 12.5 crore, the entire amount released by the Hon'ble Special Court to the Income Tax Department vide Court's order dated 2.5.2002 has been fully received. Consequent to notification of M/s Fairgrowth Financial Services as a notified party under the Special Court (TORTS) Act, 1992 w.e.f. 2.7.1992, all assets of the assessee company passed into the custody of the custodian of Special Court. Since that time, the custodian has with this specific orders from the Special Court disposed of various assets of the company, the proceeds of which have been applied to discharge the liabilities of the assessee company as per the orders of the Hon'ble Special Court, Mumbai.</p> <p>Out of the eight appeals pending in the cases pertaining to the Securities Scam of 1992, three appeals relating to Shri A.D.</p> | <p>In the case of M/s Fair Growth Financial Services Ltd., the company has filed restoration application for the assessment years 1991-92 to 1994-95. The Hon'ble Tribunal has restored the said appeals through its order dated 11.4.2005. Appeals have been filed before the Hon'ble High Court. Meanwhile, the ITAT has fixed the hearing of the restored appeals.</p> <p>The Miscellaneous Application filed by the Department in MA No. 693 of 2004 had come up for hearing on 5.10.2005. The Department had filed miscellaneous application seeking further payment towards increased tax demand consequent to the ITAT's order. However, the ITAT has recalled its order. Therefore, the demand has become unenforceable at present. The Court directed the Assessing Officer to re-file the M.A. after ITAT decides the recalled appeal. The Court's detailed order is awaited.</p> <p>The Assessing Officer is closely monitoring the proceedings in the case and all necessary details/documents etc. are being furnished before the Special Court as well as the ITAT, Bangalore.</p> |

**As reported in December, 2004**

The total priority demand as defined by the Hon'ble Supreme Court while interpreting the provisions of special court (TORTS) Act, 1992 is Rs. 2346.55 crore in the case of Harshad Mehta group and Dalal group. The remaining demand is a non-priority demand.

Pursuant to the special court (TORTS) Act, 1992 all the assets of Harshad S. Mehta and other notified parties have been attached by the custodian. The recovery of income tax dues in respect of these notified parties is subject to the release of funds by the special court/custodian.

The special court in its order dated 22.2.1995, inter alia, held that the priority years for distribution of assets to the IT Department are in respect of assessment year 1992-93 and 1993-94 (part). The priority demand u/s 11 (2)(a) of the special court (TORTS) Act 1992 is available to the IT Department only for tax demands raised and would not include interest and penalty even in respect of assessment year 1992-93 and 1993-94 (part).

|   | <p>Assessments for these assessment years have been completed in the cases of all the notified persons. So far as non-priority demands are concerned, it can be recovered out of the attached assets only u/s 11(2)(c) of the special court (TORTS) Act, 1992. There is a total prohibition on the Department to recover the taxes directly from the notified persons. All recovery matters are dependent on the special court adjudicating upon the rights and claims of various parties including the Income Tax Department. The Department has been moving miscellaneous applications before the special court for release of funds towards the recovery of priority demand on interim basis because in the normal course, the recovery even of the priority income tax demand is directly linked with the distribution of assets lying attached with the custodian. Such assets can be distributed only when the special court finally determines the distribution. During the last eight years, the special court has been releasing funds against some of the outstanding demands to the Department. The release of funds involves a lot of efforts by the officers in the field formations. The total recovery made in Harshad Mehta group and Dalal group comes to Rs. 1396.30 crore.</p> <p>In respect of the last interim release of Rs. 421.59 crore pursuant to the order dated 3.10.2003 of the Hon'ble special court, the SBI has gone in an appeal before the Hon'ble Supreme Court. The SBI also approached the Committee on Disputes, Cabinet Secretariat. The Committee on Disputes has directed as follows:</p> <p>"(a) SBI and the Department of Revenue would move the Special Court as early as possible to initiate the process of final/part final distribution of the funds under Section 11(2) of the Special Courts (TORT) Act, 1992;</p> <p>(b) During the interim period, i.e., pending the finalization of claims, neither SBI nor Department of Revenue would make or press any application before the Special Court seeking interim payments out of the funds with the Custodian; and</p> <p>(c) SBI would take expeditious steps to seek permission of the Hon'ble Supreme Court of India to withdraw Civil Appeal No. 8228 of 2003."</p> <p>It may kindly be seen from above, that the CoD has directed that <del>neither SBI, nor Department of</del> Revenue would make or press</p> |                  |

The Department has now to await the final distribution u/s 11(2) of the special court (TORTS) Act, 1992. That process may take a couple of years more.</p> <p>The appeal filed by the SBI before the Hon'ble Supreme Court was last heard on 6.8.2004 by the Hon'ble Chief Justice of India, Mr. Justice Lahoti and Mr. Justice Mathur. The Hon'ble Supreme Court did not entertain the appeals filed by the SBI in view of the directions given by the CoD in the matter. The learned ASG appearing on behalf of the Income Tax Department having submitted that the Revenue Department has made some representations in the matter before CoD which is awaiting consideration, the Hon'ble Supreme Court have recorded the following clarifications in the order:-</p> <p>"We make it clear that the disposal of these appeals would not preclude the consideration of any representation before the CoD and such decision thereon as the CoD may be inclined to take."</p> <p>In view of the decision of the Hon'ble Supreme Court and the CoD's directions, the process of final distribution u/s 11(2) of the special court (TORTS) Act, 1992 is going to take time. The custodian and the court first have to ascertain the total assets and liabilities of the notified parties. The process is in a nascent stage as of now and is likely to take quite a few years.</p> <p>As per the submissions made on behalf of the Income Tax Department before the Law Courts and also before the CoD, the SBI has no locus standi to dispute Income Tax Department's claim before the special court, particularly when it is the matter of ad hoc interim release of funds.</p> <p>In view of the above, necessary steps are being taken to get the CoD's directions modified so that after following the due process of law, Department may be in a position to make further collection/ Recovery.</p> <p>There are five appeals pending before CIT (Appeals) pertaining to the priority period. Pursuant to such request, the ITAT has assigned major high demand cases to a single bench. Moreover, after appreciating the urgency of the matter the ITAT has distributed the other cases relating to security scam to various benches. The Department has also undertaken a number of steps like appointing two standing counsels exclusively for scam related cases, as well as monitoring at the level of CCIT and CIT and utilization of the services of CIT (Appeals) for assisting the standing counsel. Also, personal participation of the Assessing Officer and the Addl. CIT in the hearings before the ITAT has enabled completion of hearing in 125 cases, out of which orders have been received in 48 cases. There are no penalties that are pending for disposal for the priority period in the case of notified persons.</p> <p><b>M/s Fairgrowth Financial Services Ltd.</b></p> <p>The pending appeals in the case of M/s Fairgrowth Financial Services Ltd. for assessment year 1991-92 to 1994-95 were disposed of by the ITAT vide its order dated 28.7.2004. All the appeals filed by the assessee have been dismissed by the Tribunal along with the cost of Rs. 4 lakh, @ Rs. 50,000 per appeal. At the same time, the appeals filed by the Revenue have been allowed by the Tribunal. An additional demand of Rs. 97.71 crore has been created after giving appeal effect to ITAT's order for assessment year 1993-94, which allowed the Department's appeal. Due to this additional demand, the net outstanding demand as on 31.10.2004 has increased to Rs. 226.22 crore. | 40.    | 16.31 Though the ERC was set up in 1997, it is only during Shri Subramanyam's tenure from September 1998 that onwards the ERC's comments were overlooked. This is further compounded by the fact that in all these cases UTI's investment portfolio depreciated after the investment. In the specific case of Cyberspace Infosys, the ERC's comments were first accepted and subsequently reversed to clear the investment. Worse, there are cases (one of which, Numero Uno International, has been examined by Tarapore Committee in detail) in which the ERC's recommendations were not taken at all. | 42.    | 16.47    | The Committee deplore the imprudent manner in which stocks were purchased and retained, leading to a host of malpractices which require comprehensive audit and pre-investigation by a suitably empowered body before proceeding to the investigative level. The Committee are satisfied with the process adopted by UTI in respect of the investment decisions in the case of 19 companies. The Advisory Board on Bank, Commercial and Financial Frauds should expeditiously take a final decision on these. The Committee recommend that the procedure suggested by the Tarapore Committee also be adopted in the case of investment decisions in the remaining 70 cases, as this meets the ends of natural justice. The Committee desire that the entire process should be completed within six months of the presentation of this report to Parliament. The Committee conclude that UTI's investment in sanctioning Rs 32.08 crore towards the purchase of 3,45,000 shares of Cyberspace (of a face value of Rs. 10) at a price of Rs.930 per share was irregular and violated norms of prudential decision making and notwithstanding Shri Subramanyam's denials, possibly influenced by extraneous considerations. |        | <p>see no reason why departmental proceedings should not be initiated simultaneously in case of the officials concerned. In this regard RBI's recent circular dated 3/5/2002 addressed to all commercial banks regarding bank frauds, specifically states, "...departmental action against officials involved in bank frauds should invariably be initiated simultaneously with criminal action with a view to ensuring that internal fraudsters are immediately punished even if criminal cases against them drag on. At present, there is a tendency among banks to wait for the outcome of criminal action against officials involved for taking departmental action. In view of the salutary effect of this principle, we advise that you initiate departmental action against officials involved in fraud cases simultaneously with criminal action." The Committee are of the opinion that UTI should also follow this principle, and initiate a time bound departmental vigilance enquiry in this matter. Moreover, the Committee deplore the failure of UTI to pursue recovery proceedings against a corporate, which sought investment from UTI on the basis of an undertaking that it would compensate UTI for any loss in the transaction. UTI should review the role of both Numero Uno International as well as the company that arranged the transaction and take action against them in case there is evidence that they misrepresented the true affairs of the company while seeking investment from UTI. The share transaction funding schemes of SHCIL were extensively used by one of the defaulting CSE brokers, Shri Harish Chandra Biyani to fund transactions in the shares of DSQ group. As there was prima facie evidence before the Committee that SHCIL had violated prudential norms and internal procedures to facilitate these transactions, SEBI was asked by the Committee in June 2002 to prepare an inspection report focusing on SHCIL's funding transactions as its earlier report of May 2001 was silent on these aspects.
